SUMMER HAS ARRIVED! VBS CANCELED

Vacation Bible School ALWAYS provides a great time for children to learn about Jesus.

Unfortunately, our week-long VBS program has been canceled due to low enrollment. THANKS to all those who were planning to attend and to our wonderful volunteers who made arrangements to assist with the program. We're looking forward to 2009 VBS with anticipation of a high energy summer week filled with excitement, Biblical teaching and loads of activities.

SUMMER CAMP
*(Fredonia, Wisconsin)
Camp Awana offers summer camping programs for boys and*

girls 8 years of age through high school, during the months of June, July and August. Campers will enjoy great activities, terrific food, challenging Bible studies, music and unforgettable fun! For additional details, check out the Camp Awana pamphlets available on the resource table in Fellowship Hall or contact the church office.

Camp Awana is in need of volunteers. Please prayerfully consider making your presence a present at VBS! This is a great opportunity to involve yourself in mentoring, ministering and service!

THANK YOU PARENTS

Children's Ministry has a huge investment in our children for God's glory. We are delighted to come alongside our parents in teaching children about the God of the Bible. In our Sunday School classes and in Children's Church we offer God-centered curricula, model God's truths and character and pray for our children, their friends and their families.

As we continue to present age-appropriate Biblical teaching, our children continue to discover God's plan of love for all people. Our dedicated teachers continue to encourage each child to apply learning to his/her life and to live the joyful life God intended by adopting His values of love and care for others.

Let your love for God and children stimulate you to get involved with Children's Ministry. Please pray about gifting of your time, your love and excitement about Jesus with our children.

Contact Pastor Roger or Joyce for additional information.

A CHILD'S LOVE

A child's love is like a whisper given in little ways we do not hear. But, if you listen closely it will be very clear.

*They often do not say it loud, but in how they come to you ...
Daddy, will you play with me?
Mommy, tie my shoe?*

*The many ways they tell you, changes as they grow.
Dad, I made the team today!
Mom, I've got to go!*

*Pop, I need some money,
You see there's ... this girl at school.
Mama, I met a boy today and Wow, he's so cool!*

*Dad, I've got something to tell you...
I think she is the one!
Mom, he asked me to marry him.
Would you love him as your son?
Dad, I've got some news for you...*

*It's going to be a boy!
Mom, I'm kind of scared of this,
Yet, I'm filled with joy!*

A child's love is like a whisper, given in little ways we do not hear. But, if you listen closely, it will be very clear.

*They often do not say it loud, but in how they come to you ...
Grandpa, will you play with me?
Grandma, tie my shoe?*

*It is never ending.
A blessing from above.
Listen to the whispers of a child's love.
